conferences, office meetings, etc. It seems as if it will never end. There are many things that happen in one day that can make the classroom a stressful environment for you, your students and even your teachers. If you are wondering how to keep your school organized while teachers are away, then MHX is the right tool. MHX has a tabbed interface which allows you to open and close windows that contain all of your school

---

information. Each tab is organized into a sub-menu. Simply click on one of the tabs to open that information. You will have everything from calendars, announcements, grades, busses and much more. MHX comes with two very nice features. First, the shortcut keys will allow you to quickly find and open what you need. You can assign keys to almost any function on the main menu. Simply find the function in the

---

menu and assign the shortcut key to it. When the teacher returns to the school, he will be able to open the tab that you assigned. Second, MHX has a unique feature called The Fiddler. The Fiddler will allow you to get a remote desktop of your classroom. You can check the grades, the attendance list, send test to parents, check the progress of student groups, access your gradebook and much more. MHX is a powerful

---

resource to help keep your school organized when your teachers are on vacation.
